DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-9 are rejected under 35 U.S.C. 102(b) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over JP'745 substantially for the reasons of record.

The amendments and remarks filled by applicants on June 3, 2009 have been fully considered.

Arguments regarding claims 10-19 have been convincing and claims 10-19 have been allowed in view of the prior art of record.

However, claims 1-9 remain unpatentable. Claim 2 may be allowable over the prior art if rewritten in the independent form with all limitations of the preceding claim. In response to the applicants arguments the examiner submits that claims 1-9 are article claims and the method to obtain such article has no patentable weight unless there is a structural difference between the claimed article and the prior art article. The prior art discloses substantially the same structure.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
